Professional Summary

I have around 3 years of experience in application development and maintenance, with a strong focus on problem-solving. I bring hands-on expertise in Angular, ReactJS, JavaScript, TypeScript, Java, Spring MVC, Spring Framework and SQL. I have a proven track record of delivering efficient, scalable and maintainable code, and I proactively seek opportunities to upskill and incorporate the latest technologies into projects.

Technical Skills

Frontend Development: Angular, React JS, JavaScript (ES6), TypeScript, HTML, CSS, Bootstrap, Tailwind CSS, RxJS.
Backend Development: Java, Spring MVC, REST API, JSON.
Version Control: GitHub, Tortoise SVN.
Design Tools: Figma.

Education

Bachelor of Engineering in Mechanical Engineering   2018 - 2022
Saranathan College of Engineering

Experience

Software Engineer, Cognizant Technology Solutions   Chennai, Tamil Nadu, India / October 2024 - Present / 2 Months
- Collaborated with clients to meet tailored project requirements, ensuring timely, defect-free deliveries aligned with functional and stylistic standards.

Junior Software Engineer, Cognizant Technology Solutions   Chennai, Tamil Nadu, India / July 2023 - September 2024 / 1 Year 3 Months
- Executed client-specific projects with a focus on precision and timeliness, ensuring adherence to style and functional requirements for seamless delivery.

Software Engineer Trainee, Cognizant Technology Solutions   Chennai, Tamil Nadu, India / July 2022 - June 2023 / 1 Year
- Developed a strong grasp of project architecture, efficiently managed code bases, and resolved bugs to enhance application reliability.

Trainee, Cognizant Technology Solutions, Intern   Chennai, Tamil Nadu, India / February 2022 - June 2022 / 5 Months
- Gained comprehensive exposure to IT development through hands-on projects and assessments, building foundational skills across diverse technologies.

Certifications

Java Full Stack   January 2024 - April 2024
- This certification course equipped me with comprehensive skills in both front-end and back-end development using Java technologies, preparing me to make substantial contributions to full stack development projects.

Microsoft Azure
- Certified in Microsoft Azure AI Fundamentals (AI-900) and Microsoft Azure Fundamentals (AZ-900), demonstrating foundational knowledge in AI and cloud computing concepts, services, and solutions on the Azure platform.
